

## Do I Have A Prayer?

Lyric by: Martin H. Samuel

a storm raging outside  
reflection of my soul  
a heart aching inside  
these nights are so cold

lightning flashing up above  
like the mirror of my mind  
am I only fooling myself  
they say love – love is a blind ... *so tell me*

do I have a prayer with you  
do I stand a chance at all  
do I have a prayer with you  
will you catch me if I fall

clouds covering the future  
cast shadows on my life  
your ever-changing winds  
they cut me like a knife

thunder rolls in the distance  
like the echoes in my ears  
am I merely hoping in vain  
holding back the tears ... *so tell me*

do I have a prayer with you  
do I stand a chance at all  
do I have a prayer with you  
will you catch me if I fall .... *I'm falling ... falling*

a storm raging outside  
reflection of my soul  
that longs to be with you  
and warm this night so cold

oh babe the uncertainty  
is kind of wearing thin  
open your eyes open your arms  
open your heart and let me in

do I have a prayer with you  
do I stand a chance at all  
do I have a prayer with you  
will you catch me if I fall  
do I have a prayer with you  
do I stand a chance at all  
do I have a prayer with you  
will you catch me if I fall

*do I have a prayer ... do I have a prayer with you ... do I have a prayer  
will you catch me girl ... catch me if I fall  
do I have a prayer with you ... do I have a prayer ... do I have a chance at all  
do I have a prayer*
